

## Agenda

---

# High Performance TCAD--- Computational Prototyping of ICs

*Robert W. Dutton & R.W. Knepper\**  
*Stanford University*

- The importance of TCAD for prototyping
- A “Brief History” of TCAD (10 yr. perspective)
- Synergistic impact of HPC on TCAD (5 yr. view)
- Roadmap of Computational Prototyping (5 yr. vision)
- Conclusions

*\* Industrial Visitor, IBM East Fishkill*
